

## REMARKS

On June 11, 2010, the Examiner issued the *Notice of Allowance* for the above-identified patent application.

On July 23, 2010, the PTO's Publishing Division/Office of Data Management issued a *Notice to File Corrected Application Papers*, which noted that the Brief Description of the Drawings, as filed, did not include mention of FIGS. 3D and 3E. A copy of the issued *Notice to File Corrected Application Papers* is being concurrently filed as an "NPL Document."

By the present amendment, Applicant has amended the Brief Description of the Drawings to now include brief descriptions of FIGS. 3D and 3E, as required by the issued *Notice*. No other amendments are being presented at this time.

Upon payment of the Issue and Publications Fees, which will be attended to on

this date, Applicant respectfully submits that the instant patent application will be in condition for issuance as a patent.

Respectfully submitted,

MICHAEL KEITH CHING
